

Dog Training/Dog Walking

Scared your dog will run away in the off-leash park?
Worried about dog conflict?
Want your dog to be a COOL dog?

This guide teaches you what you need to know. Packed with proven training tips to take the stress out of on-leash and off-leash walking.

COOLdogs:

- respect and obey their leader
- know the six COOLdog commands (three for safety & three for fun)
- come back when they are called
- are more fun to be around
- don't pull on their leash

"even if you just do chapter one – your dog will be well ahead of most dogs in the park!"

Build an unbreakable bond with your dog. Let others know you care that your dog and others around you are as safe and happy as possible while leashed on city streets and in the off-leash park.

"I started heeding your advice yesterday and I've already seen a huge difference in Kirby. For the first time ever, he's following me around the house and making eye contact when he needs something. Sherri – you are really onto something. Thank you!"

Claire Poole

"I was amazed how in 15 minutes our dog Luke learned not to pull on his leash."
